

REMARKS

Formal drawings are submitted herewith under separate Letter to the Official Draftsperson. Approval by the Examiner of these drawings is respectfully requested.

The abstract of the disclosure was objected to because it contained more than one paragraph. Correction has been made. The abstract has also been amended to change the word "means" to "circuitry".

Claim 4 was objected to due to informalities. Claim 4 is herewith cancelled.

Claims 1-3 have been allowed.

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

In view of the foregoing, it is believed none of the references, taken singly or in combination, disclose the claimed invention. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,

Attorney for Applicant(s)

Amendments to the Drawings:

Replacement sheets for FIGS. 1-7 are enclosed which formalize the drawings that were submitted with the application. No other changes have been made. Formal drawings are submitted herewith under separate Letter to the Official Draftsperson. Approval by the Examiner is respectfully requested.
